Leading manufacturer and supplier  
of surgical items

## Our Story

Founded in 2008 by the seasoned professional Mr. Ashok Jain, Rishabh Texco Pvt Ltd has emerged as a significant player in the cotton industry. With two decades of experience under his belt, Mr. Jain's vision was to establish a company dedicated to delivering the highest quality cotton selections for both the domestic and international markets.

Initially focused on the procurement and supply of superior-grade cotton, Rishabh Texco Pvt Ltd gradually evolved its business strategy. In 2016, recognizing opportunities for diversification and expansion, the company ventured into manufacturing, marking the beginning of its foray into surgical cotton production. This strategic move aimed to integrate vertically, ensuring greater control over the entire production process and maintaining the same commitment to excellence.

The customer-first approach, a hallmark of Rishabh Texco Pvt Ltd, played a pivotal role in the success and expansion of the company. Understanding the evolving needs of the market and leveraging its manufacturing expertise, the company expanded its product portfolio. This expansion included the production of essential medical items such as bandages, face masks, caps, and other disposable healthcare products.

The journey of Rishabh Texco Pvt Ltd reflects not only a commitment to providing top-notch products but also an ability to adapt to market dynamics and diversify its offerings. The company's dedication to innovation, quality, and customer satisfaction continues to drive its success in the cotton and healthcare product sectors.
